Employment Record:

May 2021 to January 2022: Economic Governance Program Manager at [Advocates Coalition for Development and Environment](#) (ACODE), Uganda. Emmanuel oversaw the work undertaken under the Economic Governance Programme and in particular, managed the Centre for Budget and Economic Governance under the programme.

March 2017 to May 2021: Research Fellow at [Advocates Coalition for Development and Environment](#) (ACODE), Uganda. At ACODE, Emmanuel led research on Health Care Expenditure and Agricultural Systems governance especially focusing on public expenditure management. He also represented ACODE on the Technical Committee of the Budget Transparency Initiative spearheaded by Uganda's Ministry of Finance.

October 2014 – December 2016: Research Analyst and Team Leader at [Development Initiatives](#) (DI) – Africa Hub, Kampala Office.

Emmanuel's work involved overseeing DI's work in Uganda including the Programme Partnership Arrangement (PPA) funded by DfID, analysis of poverty trends as well as analysis of resource flows primarily within the East African region. He also provided input into DI's global work in the same areas as well as support to DI's partners.

May 2011 – September 2014: Research Assistant at [Advocates Coalition for Development and Environment](#) (ACODE), Uganda. At ACODE, Emmanuel undertook research, analysis and advocacy on public expenditure. Emmanuel also represented ACODE on the steering committee for the National Development Policy Forum (NDPF) – a consultative forum that informed the development of Uganda's second National Development Plan. The steering committee was constituted by ACODE, National Planning Authority and the World Bank.

Selected Consultancy Experience

May – August 2022: *Policy and Advocacy Advisor* – Conrad Hilton Foundation: Emmanuel is part of a team of three consultants contracted to undertake a policy and stakeholder mapping and analysis to inform the Hilton Foundation's strategy and work on Livelihoods and Early Childhood Development in Uganda.

November – February 2022: *Localisation Expert* – Street Child and Uganda's Ministry of Education and Sports Emmanuel was contracted to support Street Child's work on localisation and to support the Ministry of Education and Sports in mainstreaming localisation in the second Education Response Plan for Refugees.
